Discovery Days 2024

for in-home day care providers

Bring your children ages 3-6 and join us once a month for a **FREE** program to discover more about our natural world. We will share discoveries, stories, activities and spend time outdoors.

All programs will be held at CanalWay Center 11 a.m. - noon

January 31	It's Winter • Let's unwrap the cold blanket of snow to see what wintry things we can find.
February 28	The Mitten • We'll look at ways animals stay warm in winter when mittens can't be found.
March 20	It's Spring • Let's explore this season by looking for signs of spring.
April 17	Cool Camouflage • How easy is it to hide in nature? Let's find out from the creatures that do it best!
May 29	Fantastic Fish • Splish, splash, what's that moving in the water? Let's find out how fish live there.
June 26	It's Summer • Come explore the natural joys of summer.
July 31	Bugs A Buzzin • Help us discover the bugs that are buzzin' all around and why.
August 28	Seeds A Burstin • It's time for plants to spread their seeds. Let's look at the many ways they do.
September 25	It's Fall • Fall brings about many changes for the great outdoors. We'll uncover some of the biggest ones as we share discoveries, stories, make a craft, and spend time outdoors.
October 30	Trees, Leaves and Bark • How can you tell the difference between our common trees? Let's find out!
November 20	Raucous Raccoons • Masked bandits or trash pandas, we'll investigate the world of raccoons.
