## OFF DUTY POLICE HIRES/EVENT SECURITY

Only Cleveland Metroparks Police may be utilized for security/law enforcement purposes on park property. Cleveland Metroparks Police for Special Events and Facilities policy applies to activities or events conducted on Park District property which may require the scheduling of "off-duty" park police. A variety of factors are assessed in determining the number of rangers assigned to cover a specific event or facility. Considerations include, but are not limited to: type of activity or event; presence of alcoholic beverages; attendance; road closures or traffic control.

Police are hired by the event client at the current rate of \$55.50 per hour. \*\*Rate subject to change. There is a four (4) hour minimum for payment regardless of actual hours worked. Notice of event cancellation is required at least 24 hours prior to the scheduled off-duty ranger shift start time. Cancellations made without 24 hour notice will be charged the four (4) hour minimum.

Payment for park police services must be rendered by the client prior to the event. Payment will be invoiced at the time the contract is issued and must be paid in full. If an off duty ranger is not assigned or is absent a refund will be issued after the event date.

In the event the Police Department is unable to staff an event, the Chief of Police may authorize the use of an outside law enforcement agency with appropriate jurisdiction. The event client will be notified to work directly with the outside law enforcement agency. Payment for these services will be made directly to the outside law enforcement agency in accordance with their procedures and hourly rate.

Private security will not be used as a substitute for law enforcement officers. The use of private security officers on park property requires prior authorization from the Chief of Rangers and requests to use private security for a specific task at an event will be reviewed on a case by case basis. The Police Department reserves the right to approve/disapprove the use of external law enforcement or private security personnel at its sole discretion.

If you need assistance after hours or on weekends, please contact Police Headquarters at the non-emergency number of 440-331-5530.

## **LIFEGUARDS**

Aquatics special events and activities conducted on Cleveland Metroparks property may require the scheduling of special-detail lifeguards. A variety of factors are assessed in determining the number of lifeguards assigned to cover a specific event or activity. Some of these considerations include: location, type of activity or event, length of activity or event, number of participants, day of week, time of day, etc.

The determination for lifeguard services will be made at the sole discretion of Cleveland Metroparks. Events/activities will be evaluated on an individual basis. Only Cleveland Metroparks lifeguards may be utilized on Park District property unless otherwise agreed upon by Cleveland Metroparks and the permit holder.

Lifeguards are hired by the event client for a predetermined number of hours, but not less than two hours, at a rate of thirty (\$30) per hour. \*\*Fee subject to change. If the event organizer cancels the event, notice must be received at least 24 hours prior to the scheduled event or the two hour minimum payment per lifeguard will be charged. If the event is canceled the day of the event due to unforeseeable safety conditions (weather, water conditions, visibility, etc.) payment for one hour per lifeguard will be charged. Cancellation of the event/activities due to safety conditions including but not limited to water conditions, weather, etc. are at the discretion of Cleveland Metroparks.

Payment for park lifeguards must be rendered by the event client not less than one (1) week prior to the event. Payment should be made by check, payable to Cleveland Metroparks.

Organizers of aquatics events must submit a water safety plan with the event application. The water safety plan must be approved by Cleveland Metroparks. Cleveland Metroparks reserves the right to ensure that the water safety plan is being followed, and terminate or postpone the aquatics event for any deviation from the water safety plan.

## **PAYMENT**

### RECYCLING (REQUIRED)

Recycling is **REQUIRED** at all events that occur on Park District property or in a Park District facility. Green waste containers or blue recycling containers are located throughout parks.
