

North Chagrin Nature Center Generalist Service-Learning Position

Position Description

The North Chagrin Nature Center internship provides a unique opportunity for hands-on experience in environmental education and recreation. The Intern will work closely with experienced naturalists to engage our youngest visitors in meaningful experiences during summer camp that inspire a lifelong love of nature.

Schedule

- Date(s): May-August
- Flexible duration and weekly commitment
- 2 Positions Available
- North Chagrin Nature Center (North Chagrin Reservation)
401 Buttermilk Falls Parkway
Mayfield Village, OH 44143

Responsibilities and Requirements

Key Responsibilities and activities may include (but are not limited to):

- Assisting with garden maintenance which may include pulling weeds, watering, mulching and/or removing and adding plant species to existing gardens.
- Joining naturalists on guided nature hikes and interpretive programs on Cleveland Metroparks trail
- Participating in special events at NCNC
- Creating and updating educational materials, displays, and resources
- Participating in outreach and community engagement events
- Fostering a safe and inclusive learning environment that encourages curiosity and exploration

Requirements

- High school senior or currently enrolled in a college or university
- No required degree/focus area required, but a biology, education, or parks & recreation career path preferred
- Comfortable lifting at least 25 lbs.
- Access to reliable transportation to North Chagrin Nature Center
- Ability to volunteer in various weather conditions
- Able to follow tasks, assignments, etc., as assigned

Applications: Applications are due April 30, 2025. *Click [here](#) to apply.*
